

## Technical Information

### HARO Oil Balm

Art. No. 403 129

---

Product	HARO Oil Balm is a specially formulated floor care product for repair work and for the intensive care of bioTec oil/wax-finished HARO Parquet and HARO Cork Floor in demanding applications. Also suitable for the surface treatment of sanded, unfinished parquet. Use only in well-ventilated areas.	
Ingredients	<ul style="list-style-type: none"><li>- High solids content product</li><li>- Based on natural raw materials</li></ul>	
Ingredients	Carnauba and candelilla waxes, parafins, sunflower, soya and thistle oils. Additives: Zinc-zirkonium-cobalt-octoate (lead-free minerals dryer), 2-butanonoxim (prevents skin formation), polysiloxane (silic acid basis, extremely water-repellent). Solvent: Aliphatic compound = dearomatised white spirit (benzene-free, meets the purity requirements of the European pharmacopoeia).	
Physical Data	Specific weight:	0.89 g/cm <sup>3</sup>
	Viscosity:	Slightly thixotropic, viscous
	Smell:	faint/mild (of natural vegetable waxes/oils), odourless when dry.
	Flash point:	over 61 °C according to DIN 53213 (no labelling required in acc. with EU guideline)
	Shelf life:	At least 5 years in unopened container. No frost risk – if somewhat pasty after frost effect, leave for a few hours at room temperature to restore good spreadability.
Coverage	750 ml ~ 110 m <sup>2</sup>	
Safety Advice	<ul style="list-style-type: none"><li>- Keep out of the reach of children!</li><li>- Do not fill in containers intended for food, drinks or other foodstuffs.</li><li>- Keep away from foodstuffs, drinks and animal feedstuffs.</li><li>- Keep away from sources of ignition.</li><li>- In case of contact with eyes, rinse immediately with clean water and seek medical advice.</li></ul>	

This technical information is for your guidance and is based on our most up to date knowledge. It makes no representation or warranty, express or implied, as to any specific properties of the described product within the meaning of the statutory warranty regulations.
